Group Fitness Class Descriptions

TABATA: Tabata training is one of the most popular forms of high-intensity interval training (HITT). Tabata consists of 4 minute rounds with 20 seconds of high intensity exercise with a 10 second recovery each round has 8 cycles hence 4 minutes

Yoga Hatha: Strength and flexibility through the use of physical posture, breathing and relaxation techniques. Beginners are definitely welcome; just take it at your own pace.

Pilates Mat: This class will not only challenge your core strength, balance and flexibility, it will give you a full body workout. Pilates aims to improve your body awareness by improving postural alignment, aiding in injury prevention.

RIP: Non-intimidating resistance training class using barbells with movements set to uplifting music. Designed to tone and strengthen your body & burn fat, a great class for beginners to experienced.

RESULTS: takes the best of boot camp, HITT, aerobic and toning/strength class formats and combines them with current core and functional equipment technology. **Results** classes will use everything from Suspension Training, Kettle bells & BOSU just to name a few plus Cardio Training, is perfect for all fitness levels.

X-Trainer: Reclaim your body and X-train for improved overall fitness. This class mixes up cardio and strength and agility to increase your physical strength, flexibility and cardiovascular health

ZUMBA: starts 6.30pm Tuesday 26/02/2019

6 week Zumba fuses hypnotic Latin rhythms and easy-to-follow moves to create a one-of-a-kind fitness program that will blow you away. **Included in membership or 6 week Non-members \$66.00**

POWER YOGA: starts 6.30pm Wednesday 27/02/2019

6 week POWER YOGA class is a quicker flow of yoga and concentrates on cardio plus strength while maintaining the principles of Yoga.

Included in membership or 6 week Non-members \$66.00
